What To Do If Involved In An Accident

Do Not Admit Liability - Just State The Facts.

1. Stop & do not keep driving! Remain Calm & use your hazard lights and head-lights to stay safe.

Call 000 for an ambulance if someone has been injured.

2. Once you've made sure everyone is ok, you will need to collect the following details:

- Date: ____ / ____ / ____ Time: ____ am/pm
- Location of incident: _____

- Full Name: _____
- Phone: _____
- Address: _____

- Licence Number: _____
- Make & Model of Car: _____
- Registration Number: _____
- Insurance Company: _____

3. Notify the Police if:

- The other driver does not stop or does not exchange details.
- The other driver appears under the influence of drugs or alcohol.
- The other driver is offensive or threatening.
- Or if someone is injured.

4. Contact Your Insurance Company and Lodge a Claim.
